Il nostro albergo si trova nel cuore del **Chianti Classico**. Dal restauro di un edificio rustico, in parte del trecento, è sorto un ambiente piacevole di 14 camere, poco distante da centri culturali come **Siena, Firenze ed Arezzo**.

Our guesthouse lies in the middle of Tuscany where the **Chianti** grapes have been cultivated for centuries.

The building itself was renovated from a 131" century fortress.

One can easily visit the nearby historic cities of Florence, Siena und Arezzo.

Unser Haus liegt dort, wo man seit Jahrhunderten den **Chianti Classico** anbaut.

Es entstand aus einer restaurierten Festungsanlage, deren Ursprunge in die Anfänge des 13 Jahrhunderts zurückreichen. In unmittelbarer Nähe befinden sich historisch bedeutende Städte wie **Florenz, Siena und Arezzo**.

Notre hotel se trouve au coeur meme de la Toscane, ou Ton cultive le raisin du **Chianti** depuis des siecles.

L'edifice est une ancienne forteresse du 130 siecle, restauree. On peut facilement visiter les centres culturels de **Florence, Sienne, Arezzo**.
